Civil Action No. 2:16-CV-01299

CORRECTED STIPULATION FOR
EXTENSION OF TIME TO FILE
RESPONSE TO MOTION TO DISMISS
(First Request)

**CORRECTED STIPULATION FOR EXTENSION OF TIME TO FILE
RESPONSE TO MOTION TO DISMISS
(First Request)**

1. Plaintiffs file this *corrected* stipulation for extension of time to file a response to the motion to dismiss. This is the Plaintiffs' first request for an extension for this response. Defendants filed the motion to dismiss on August 12, 2016.

2. Pursuant to Local Rule 7-2 and Federal Rule of Civil Procedure 6, the Plaintiffs response to the motion to dismiss is currently due on August 29, 2016.

3. Plaintiffs' counsel have conferred with Defendants' counsel. Defendants have agreed to a 30-day extension for the response to the motion to dismiss. The new deadline would therefore be September 28, 2016.

4. Good cause exists for extending the time to file the response. Lead counsel, Fields Alexander, has been and continues to be engaged in other litigation with imminent deadlines and the requested extension will permit counsel to adequately address the representation of his clients in this matter while not neglecting other client needs in other pending matters.

5. This stipulation is not filed for the purpose of delay, but to allow counsel adequate time to prepare the response.

6. For these reasons, Plaintiffs respectfully request an extension of time to file their response until September 28, 2016.

7. As mandated by Local Rule 6-2, an order in form of a signature block appears at the end of this filing.

DATED this 24th day of August 2016.

AGREED AS TO FORM:
